DIGITAL CAST & SPLINT REVOLUTION

3D PRINTED CASTS AND SPLINTS

WATERPROOF

- Shower, swim and bathe like normal

BREATHABLE

- Observe, clean and treat skin or wounds easily

ADJUSTABLE

- Easily adjustable for comfort
- Accommodates swelling/atrophy

HYGIENIC

- Does not trap odor, moisture or bacteria

AFFORDABLE

- Covered by most insurance plans

VERSATILE

- Thin, lightweight splints
- Protective, durable casts
- Converts from a locked-on cast into a removable splint, no additional charges
- Reusable, no scary cast saws or re-casting

CUSTOM

- Designed specifically for your unique injury, condition and lifestyle
- Fit precisely to your anatomy

WWW.ACTIVARMOR.COM

GET BACK TO YOUR ACTIVE LIFESTYLE SOONER WITH ACTIVARMOR!

Once your injury is stabilized and the swelling goes down, transition into an ActivArmor waterproof, breathable, hygienic, custom orthosis for the remainder of your immobilization!
