# If You Need a Cast,

download the Physician Info Flier at

[www.ActivArmor.com](http://www.ActivArmor.com)

and take it to your doctor.

*You can get ActivArmor as soon as your swelling has gone down!*

## Download our Free ActivArmor iPhone Scanning App

iPhone 10, 11, or 12

*You'll need a buddy to scan you.*

Watch the brief scanning tutorial on our website [www.ActivArmor.com](http://www.ActivArmor.com)  
or contact us for free live video support.

*It takes practice, but in 15 minutes, you'll be 3D scanning like a pro.*

*We are right here to help!*
